

Beverages

Greystone Public House encourages safe and responsible alcohol consumption. Bartenders are required to ID guests of questionable age prior to serving alcoholic beverages and to refuse service of alcoholic beverages to any person who, in the restaurant's judgment, appears intoxicated. Greystone Public House is the only licensed authority to serve and sell alcoholic beverages on the premises. Therefore, alcohol is not permitted to be brought on property.

The following options are available to help determine the type of beverage service best suited for your event.
